AUDITOR'S REPORT

To The Board Members,
FOOD SECURE CANADA,
Winnipeg, Manitoba.

I have audited the statement of financial position of FOOD SECURE CANADA as at AUGUST 31, 2011 and the statements of operations, of changes in net assets and of cash flows for the year then ended. These financial statements are the responsibility of the organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Not For Profit Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

In common with many not for profit organizations, the organization derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization and therefore we were not able to determine whether any adjustments might be necessary to other revenues, excess of revenues over expenditures, assets and net assets.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of FOOD SECURE CANADA as at AUGUST 31, 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian Not For Profit Financial Reporting Standards.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion these financial statements present fairly, in all material respects, the financial position of FOOD SECURE CANADA as at AUGUST 31, 2011 and the results of its operations and cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

FOOD SECURE CANADA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2011

1. FORM OF ORGANIZATION

Food Secure Canada was incorporated as a not-for-profit organization under the Canada Corporations Act in October 2006. Food Secure Canada is a Canada-wide alliance of civil society organizations and individuals collaborating to advance dialogue and cooperation for policies and programs that improve food security in Canada and globally.

They achieve this by:

1. Identifying at the bi-annual conference of FSC/SAC a set of projects of Canada-wide importance (involving research and data collection, campaigns, education, programming and policy making) that FSC/SAC helps members carry out;
2. Providing support to members (strategic planning, training, tools, program design advice, services, information, fundraising support) that increases the capacity of civil society to be an effective voice for food security in Canada;
3. Creating a space for debate, exchange, help, coordination of efforts, and pooling of resources.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles for non-profit organizations which encompass the following principles:

i) Revenue Recognition

The organization follows the deferral method of accounting for contributions. All unrestricted contributions are recognized as income in the current period. Restricted contributions are recognized as income in the same period in which the related expenses are incurred.

FOR THE YEAR ENDED AUGUST 31, 2011

ii) Capital Assets

Capital assets are recorded at cost and depreciated over their estimated useful life on a straight line basis over the following number of years:

Leasehold Improvements	5 years
Equipment	5 years

iii) Assistance received in acquisition of Capital Assets

Assistance is recorded as a reduction of the cost of the applicable capital assets or credited in the statement of operations as determined by the nature of the assistance.
